## **Food and Meal Preparation**

There will always be cereal, peanut butter, and raisins for hungry people between meals (and for picky eaters during meals).

We may assign each main family (original 7) a meal to be responsible for. Then if you need more help you can recruit from other families. Remember, the food for this will be paid for by the Reunion Fund! **We would like each family to bring a batch of cookies or bars to the reunion to save preparation time once we are together to visit. These will be used for the evening snacks.**

## **RACEY NEWS**

**Attention all runners and walkers!**  
**Now is the time to get in shape for the**

## **FIRST TITUS REUNION RUN!**

Following are some of the races you may wish to participate in:

**1. Kid's Race** - you run your month age in yards.

**2. 4 X 440 Relay** - each of the four relay team members must be formed from one of the seven main families. (example - one from Floyd's, one from Walt's, one from Lola's, and one from Dorothy's - Hey, come to think of it, that looks like a good team right there! Come on you four, get on your mark, get set, GO!)

**3. Monogamy Run or Walk** - each partner must finish at least 2 of the 6 lap course.

**4. Mass Finish Mile** - Your starting point is according to your best mile time.

**5. Other Races** - 440 yds, 880 yds, 1 mile.

We have Dave and Laurie Titus to thank for these creative ideas and the organization of this event at the reunion in 1990!

## **Review**

This issue has some repeat articles about reunion events and ideas- just in case you think you have read some of this before. You're right! You have. Note all the things **in bold** to bring.

**BIRTHDAY PARTY - by Seasons of the Year**  
-each group or month (depending on size of group) will sit at one table  
-everyone is encouraged to bring some kind of decoration for the table and/or cake  
-each group will have their own birthday cake - Rose has already sent in her carrot cake recipe for the February or winter season cake - now if we can get her to make it  
-each birthday group will work out a song, skit, game etc. for a short program at the party so bring your ideas  
-Thanks Jane for sharing this great idea!

### **BIRTHDAY CAKES**

If everyone comes to the reunion we will have over a hundred people - so we need lots of birthday cakes. **Will you volunteer to make a cake for your month or season? Send Ruth your favorite cake recipe** and we will have supplies available. (You might want to bring your own pan if it requires something special.)

### **WHO'S THAT CUTE BABY?**

Don't miss the fun! **Send a baby picture** of everyone in the family to Jane Titus. At the reunion we will have a baby identification game - but we need your help, so rush a baby picture with your name on the back to : Jane Titus, 8315 Rambler Dr., Brooksville, FL 34601

### **Recycled Cards and Tee Shirts a second-hand idea from Rose**

Maybe we could all bring an accumulation of cards (old ones we have received) to the next reunion, to exchange and re-distribute.

Another idea might be to have a tee-shirt exchange at the reunion. The younger set might like that. **Bring a "Logo" tee-shirt to trade** for one from some exotic place from which another relative lives or has visited. I'd love to bring one that says, "Seattle Seahawks 1990 Super Bowl Champs!" HA!

### **TITUS COOKBOOK ANYONE?**

Remember Rose's idea to put together a cookbook with recipes, family anecdotes, original sketches, etc? **Bring your favorite recipes, stories, illustrations, and sketches with you** to the reunion if you are interested.

### **So Good to Hear From You!**

We appreciate hearing from you. Why don't the rest of you creative relatives let us know what you are thinking! Thanks to Jane Titus and Patsy Fletcher who sent in some helpful ideas and to Joanne Stewart who personally gave me a call in Oct. of 1989 to share some thoughts. I also heard from Laurie Titus, Walt, Paul, and Dorothy's families and a composite survey from some of Floyd's kids.

### **Reunion Activities for Younger Kids**

Crafts, games and videos have been suggested. Patsy Fletcher has volunteered to help but not to be the organizer. Happy will practice a few songs with the kids for a Kids Choir. She will also help with "crowd control" if others, like Patsy will come up with the idea for a craft or a game. Also, it has been suggested that grandparents spend "special time" with your younger grandchildren? If there is interest, we can even schedule some time where volunteers watch the kids and mom and dad get a few moments off. Anyone want to help watch the kids?

We love feedback.

### **Memory from the last Reunion**

As Joanne grew up she didn't feel especially musically talented - sure she could carry a tune and harmonize, but a Titus was assumed to have musical talent. As she grew older those feelings of inferiority lessened. She wondered before the reunion if these feelings of inadequacy would resurface at the reunion. She remembers singing alto as the group sang "Wonderful Grace of Jesus" with Marlene singing in front of her. Marlene turned and joined her and they sang alto together. Joanne says, "It was as if God said to me, 'See Marlene who has 15 years of singing lessons thinks you're worth singing with.' It was really special to have Marlene want to sing with me."

## **Housing for the Reunion**

Everyone needs to be thinking about this. Barb Swanson thought it would be fun to have several big tents and all stay at Cindy and Darrell's. If you have campers, R.Y.'s, or tents, or if you need a place to stay, send this information to Cindy Powell and the Underwoods who are heading up the housing committee.
